

Campbellford Digital Service Squad Job Description

Digital Service Squad – Team Member

The Digital Main Street Ontario Grants program expands the previously existing Digital Main Street (DMS) program developed in partnership by the City of Toronto and the Toronto Association of Business Improvement Areas (TABIA). Thanks to a renewed investment in the DMS Ontario Grants Program (OGP) from the provincial government, many more of the province's small businesses are able to take full advantage of digital technologies and e-commerce platforms to increase their revenues and create jobs.

The four main components of the DMS OGP include:

- 1. Digital Transformation Grant Program:** Upon completion of their digital assessment, pre-qualification quiz and online training, businesses may apply for a \$2,500 grant to offset costs as outlined in their Digital Transformation Plan and budget. These funds are available to help businesses strategically adopt technology and meet their digital goals.
- 2. Digital Service Squad Program:** Digital Service Squads (DSS) are digital technology support specialists in an area or region of Ontario who deliver one-on-one assistance to brick-and-mortar small businesses. These DSS can be set up by BIAs, municipalities, Chambers of Commerce, Boards of Trade or Small Business Enterprise Centres and may apply for funding based on the number of brick-and-mortar small businesses in their catchment area that they can reasonably serve.
- 3. Access to Support:** Ongoing support including access to basic digital services, a list of vendors that can identify technologies and tools businesses need to be digitally ready, and other resources such as assessments, articles, best practices, etc.
- 4. Digital Training (online and in-person):** Webinars and workshops focusing on specific digital technologies and strategies, including e-commerce, social media, and website development.

The DMS OGP is currently seeking outgoing, enthusiastic, qualified candidates for the position of Digital Service Squad – Team Member.
